

# CASA BEATNIK

Nestled in Galicia's Rías Baixas wine region, Casa Beatnik Hotel mixes history and modernity, a home for bon vivants and seekers of uncharted experiences in Galicia, one of Spain's most unspoiled regions.

Located 20 minutes outside of Santiago de Compostela, Casa Beatnik boasts 13 individually styled suites, six luxury yurts, Beatnik Cocktail Bar & Restaurant, Tribu Restaurant, a working winery and a vineyard featuring one of the world's oldest vines.

Galicia is an extraordinary setting that evokes that rare feeling of a place that is seemingly untouched and slightly lost in time, a destination for global nomads who arrive to discover the excellence of its culinary treasures, winemakers, chefs, purveyors and artisans.
